

Class A Shares

Class A shares of the Funds are sold at the public offering price, which is the NAV plus an initial maximum sales charge which varies with the amount you invest as shown in the following chart. This means that part of your investment in the Funds will be used to pay the sales charge.

Because of rounding in the calculation of front-end sales charges, the actual front-end sales charge paid by an investor may be higher or lower than the percentages noted above. No sales charge is imposed on Class A shares received from reinvestment of dividends or capital gain distributions.

Information on sales charges can also be found on the Fund’s website at www.oakridgefunds.com, or obtained by calling the Fund at 1-855-551-5521, or consulting with your financial advisor.

Large Order Net Asset Value Purchase Privilege. There is no initial sales charge on purchases of Class A shares in an account or accounts with an accumulated value of \$500,000 or more, but a contingent deferred sales charge (“CDSC”) of 1.00% will be imposed in the event of certain redemptions within 12 months after the end of the month in which such purchase was made.

From its own profits and resources, the Advisor may pay a finder’s fee to authorized dealers that initiate or are responsible for purchases of \$500,000 or more of Class A shares of the Funds, in accordance with the following fee schedule: 1.00% on amounts of less than \$4 million, 0.50% on amounts of at least \$4 million and less than or equal to \$50 million, and 0.25% over \$50 million. If an authorized dealer agrees to waive its receipt of the finder’s fee described above, the CDSC on Class A shares generally will be waived. In addition, no CDSC will be imposed on Class A shares issued to holders of Class B or Class R shares of the Pioneer Oak Ridge Large Cap Growth Fund and the Pioneer Oak Ridge Small Cap Growth Fund in connection with the reorganization on October 17, 2014.

The contingent deferred sales charge is waived for redemptions of Class A shares purchased by an employer-sponsored retirement plan that has at least \$500,000 in total plan assets. In addition, the CDSC is waived under certain circumstances, including the redemption of shares whose dealer of record at the time of the investment notifies the distributor that the dealer waives the finder’s fee. Your financial advisor or the Transfer Agent can answer your questions and help you determine if you are eligible for waiver of a sales charge.
